Re: My Departure From the Bunker Hill Project

Dear Bob:

I wanted to let you know that November 21, 2001 will be my last day in the Superfund program. I have accepted another position at the Environmental Protection Agency effective November 26, 2001. Cami Grandinetti will be taking over for me on the Bunker Hill Mine water project. The Record of Decision Amendment and Responsiveness Summary are nearly complete. A copy will be sent to you when it is finalized.

In writing this letter, I'm realizing that we have worked together for almost four years. While we have not always seen eye-to-eye on issues, I do appreciate your commitment to your profession. Good luck to you in your future endeavors.

Sincerely,

Mary Kay Voytilla  
Project Manager
